

Native Plant Species That Attract Pollinators in the Upper Tanana Valley

| Common Name | Scientific Name | Color | Blooming Period | Light Requirements | Moisture Requirements | Attracts Pollinators | NPN monitored species | Poisonous to animals and people |
|--------------------|--------------------------------|------------|-----------------------|---|-----------------------|-------------------------------------|-----------------------|---------------------------------|
| Bog Blueberry | <i>Vaccinium uliginosum</i> | pink | mid May-mid June |  | moist | bees, ants, mosquitos | yes | - |
| Low Bush Cranberry | <i>Vaccinium vitis idaea</i> | white/pink | May-June |  | indifferent | bees, ants | yes | - |
| Kinnikinnick | <i>Arctostaphylos uva-ursi</i> | white/pink | May-early June |  | indifferent | bees, ants | yes | - |
| Labrador Tea | <i>Ledum palustre</i> | white | June-mid July |  | indifferent | bees, beetles, flies | yes | - |
| Dwarf Dogwood | <i>Cornus canadensis</i> | white | June |  | indifferent | bees, beetles, flies, moths | yes | - |
| Twin Flower | <i>Linnaea borealis</i> | pink | mid June-early Aug. |  | indifferent | bees, ants | yes | - |
| Pasque Flower | <i>Pulsatilla patens</i> | purple | late April-early June |  | indifferent | bees, butterflies | yes | yes |
| Shooting Star | <i>Dodecatheon pulchellum</i> | pink | late May-June |  | indifferent | bees | yes | - |
| Bluebells | <i>Mertensia paniculata</i> | blue | May-July |  | indifferent | bees, butterflies | - | - |
| Wild Iris | <i>Iris setosa</i> | purple | June-July |  | moist | bees, butterflies | yes | yes |
| Spiraea | <i>Spiraea beauverdiana</i> | white | late June-early Aug. |  | indifferent | bees, beetles, flies, moths | - | - |
| Death Camas | <i>Zygadenus elegans</i> | white | late June-early Aug. |  | indifferent | bees, flies | - | yes |
| Prickly Rose | <i>Rosa acicularis</i> | pink | June-early July |  | indifferent | bees, butterflies, beetles, flies | yes | - |
| Sweet Pea | <i>Hedysarum mackenzii</i> | pink | June-July |  | dry | bees, butterflies | - | yes |
| Shrubby Cinquefoil | <i>Potentilla fruticosa</i> | yellow | late June-Aug. |  | indifferent | bees, butterflies, beetles, flies | yes | - |
| Arctic Lupine | <i>Lupinus arcticus</i> | purple | June-early July |  | indifferent | bees, butterflies | yes | yes |
| Larkspur | <i>Delphinium glaucum</i> | purple | late June-early Aug. |  | indifferent | bees, butterflies | - | yes |
| Tall Arnica | <i>Arnica alpina</i> | yellow | June-early July |  | dry | bees, butterflies, beetles, insects | yes | - |
| Aster | <i>Aster sibiricus</i> | purple | July-Aug. |  | dry | bees, butterflies, beetles | - | - |
| Northern Yarrow | <i>Achillea borealis</i> | white | late June-Aug. |  | dry | bees, butterflies, beetles, moths | yes | - |
| Jacobs Ladder | <i>Polemonium pulcherrimum</i> | purple | late May-June |  | dry | bees, butterflies | yes | - |
| Fireweed | <i>Epilobium angustifolium</i> | pink | July-Aug. |  | indifferent | bees, butterflies | yes | - |
